Final Note by the Minister for Home.

Subject— REPRESENTATION OF MR. R. MUTHOJI RAO SCINDIA FOR RE-INSTATEMENT IN SERVICE.

D
C

With the gracious approval of His Highness, orders were issued accepting the resignation tendered by Mr. R. Muthoji Rao Scindia, Superintendent of Police, of his appointment under Government with effect from 16th March 1946.

B

Mr. Muthoji Rao Scindia has now submitted a representation stating that he suffered from a severe accident while on his morning ride in January 1946 when he was in charge of Mysore District and City, that the absolute lack of any chance of further prospects in the Department or any hope of a change to the general line coupled with his serious ill-health, brought on a fit of depression and that in that frame of mind he sent up to the Inspector-General of Police his letter of resignation. Mr. Sciendia has requested that in view of the peculiar circumstances leading to his resignation and in view of the possible improvement in prospects on account of retrocession of the C & M Station area, he may be re-instated and promoted to the rank of Deputy Inspector-General of Police, treating the intervening period between the date of acceptance of his resignation and the date of his report to duty as such leave as he would be entitled under the Mysore Service Regulations. In the alternative, he has requested that he may be transferred to the general line and given a place with reference to the place he would have occupied if he had been taken in the first instance as a Probationer, in the Revenue Department.

The representation of Mr. Muthoji Rao Scindia for re-instatement in service was considered at a Meeting of Council held on the 10th and 11th July 1947, when the following resolution was recorded:--

"Mr. R.

"Mr. R. Muthoji Rao Scindia may be re-instated in service, the period intervening between the date of his resignation and his re-instatement being treated as on such leave as he may be entitled to, under the Mysore Service Regulations.

An additional temporary post of Deputy Inspector-General of Police may be sanctioned and Mr. Scindia may be appointed to the post to assist the Inspector-General of Police. He may take rank below Mr. U.K. Somappa."

I solicit that the resolution of the Council may be graciously approved.

16th July 1947.

mr R. Ruthoji Rao Scindia, prior to the acceptance of the resignation tendered by him of his appointment under Govt, held the post of Sr Superintendent of Police on Rs 500-50/2-600. and his rank in the Police Deptt was above mr C. D. Rachia. Subsequently the number of posts of Sr Supts of police has been raised from one to three and Messrs C. D. Rachia, A. Rangaswami Iyengar and N. V. Babu Reddy have been confirmed as Sr. Supts in these three appointments. In case it is intended to give mr Scindia a permanent lien on one of the posts of Sr. Supts after his reinstatement, the tenure of appointment of mr Babu Reddy, ~~as last among the Supts~~ as Sr Supt gets changed from "permanent" to "S.P.T" as he is the last among the permanent Sr Supts. It is submitted if this point need not be clarified now.

Respected Sir,

PRIVATE SECRETARY, TO THE DEWAN OF MYSORE

I beg leave of you to submit the following representation of mine for favour of your kind consideration and orders.

In September 1926 the Government called for applications for appointment as Revenue Probationers. I was one of the applicants from the Maratha Community which had no representation in the Civil Service of the State.

I was selected as one of the candidates for recruitment as a Revenue Probationer by the Selection Committee appointed by the Government in this behalf and presided over by the then Revenue Commissioner.

But the Government were pleased to appoint me along with Mr.U.K.Somappa (now the Deputy Inspector General of Police)as a Police Probationer with effect from 3rd January 1927 (G.O. No.1931-3-CB dated 20-12-1926).

On the issue of this notification, I solicited an interview with the then Dewan, and represented to him that, as I had made no application for appointment to the Police, I may kindly be retained as a probationer in the Revenue Department. The Dewan Saheb, Sir Mohamed Mirza Ismail, was pleased to assure me that we were not intended to be permanently in the Police as there was no prospect of progressive advancement in the State Police, Police in the state not being an independent Department, that as per long established precedent (from 1891 as in the cases of the previous appointments of Probationers to the Police, of Messers R.B. Plumer, P.F. Bowring, Mirza Mohamed Ismail, G.B. Heblikar, Mohamed Zahiriddin Meccai and others) the Police Probationers were to be eventually absorbed in the General Executive line, and that we were specially selected for the Police as we would get a better initial start in service, the statutory basic pay of an Assistant Superintendent of Police being Rs.200/- but the Revenue Probationer after confirmation as Amildar starts on a basic pay of Rs.150/- only (Article 72 Cl (6) & (8) - Special Minima - Mysore Service Regulation). The idea of the Government in making this selection was to draft young men from families of reputed social standing in the state for officers' grade in the Police Force.

Thereupon, I went through the prescribed training, passed the tests and was confirmed as Assistant Superintendent of Police and posted to the charge of Mysore City in June 1929 but unfortunately for us the basic pay of the Assistant Superintendent of Police was brought down to the level of the Amildar's, so as to be on a par with the Revenue Probationers who were started along with us (Messers K.Mathan, K.P. Ramanathiah, A.S. Khaleel, K.Thipperudriah, who have since become Deputy Commissioners) making the lower grade personal to us.

In March 1932, I was appointed as acting District Superintendent of Police, confirmed in 1934, and became the seniormost Superintendent of Police in June 1944, in the place vacated by the elevation of Mr. U.K.Somappa to the new Post of D.I.G. created only in June 1944, after having reached the maximum in the D.S.P's grade of 250 - 25/1 - 450 in May 1941.

I continued in the Police as District Superintendent of Police for over 14 years, and the question of giving me an outlet for progressive advancement in service, as in other departments by transferring me to the General Executive line was brought to the notice of the Government, but nothing materialised as the re-organisation of the State Police into an independent department as obtaining in Madras and elsewhere in British India with its own cadre of officers, was under the contemplation of the Government, since Mr.F.A.Hamilton, Inspector General of Police, initiated the re-organisation of the Mysore Police.

As

As it is at present, Revenue Officers, are posted as District Superintendents of Police and the Deputy Commissioners of Districts hold powers in regard to the Police, similar to the powers vested with the Deputy Inspectors General in British India and a Senior Deputy Commissioner is posted as the Inspector General of Police. Thus a probationer started in the Police had his way blocked as soon as he became a Senior Superintendent of Police, there being only one place of a Deputy Inspector General only recently created in June 1944 on a reduced scale of Rs.600 -50/2 - 800, Whereas the Deputy Inspector General of Police ended with Rs.800/- after eight years a Revenue Senior Assistant Commissioner would begin with Rs.800/- with no time scale whatever. Officers in the General line, who were Amildars become District Superintendents of Police along with the Police Probationers, though not started directly in the Police and in course of time, become superior Officers to the District Superintendent of Police as Deputy Commissioners and a Probationer started in the Police will still be a District Superintendent of Police. And any subordinate non-Gazetted officer in any branch of the State Service who is selected for the Amildari becomes an Assistant Commissioner and is posted to the Police as a "CIVILIAN" D.S.P, with the General Executive line always open to him, whereas Probationers directly recruited to the Gazetted Ranks of the Police are termed. as "non-civilian"D.S.Ps with no prospect of any progressive advancement in their own Department. Even in the Police Department itself Sub Inspectors and Inspectors who were Subordinates of the District Superintendent of Police started as a Probationer will in course of time Become District Superintendents and the Probationer started in the Gazetted Rank who had become a D.S.P. will still be a D.S.P.

Thus, Probationers who were selected along with me and posted to the Revenue Department also became District Superintendents of Police just because they were Amildars without any training whatsoever, and subsequently became Deputy Commissioners because they were termed as Civilians and could be posted to any branch of the State Service. (Messers K.P.Ramanathiah, A.S.Khaleel and K. Thipperudriah). Where as I having been posted specially to the Police, contrary to my expectations, continued to be a District Superintendent of Police for over fourteen years, the only Officer in the Gazetted Ranks of the Civil Branch of the State Service to stagnate so long with no prospect of either a change to the General Executive line or of any advancement in the Police itself as only the Revenue Officers would be filled in to the top Ranks of the Police Department, as Deputy Commissioners and Inspectors General of Police.

It was when in such circumstances that I suffered a severe accident while on my morning ride in January 1946 while I was in charge of Mysore District and City. The absolute lack of any chance of further prospects in the Department or any hope of a change to the General line coupled with my serious ill health, brought over me a fit of depression and in that frame of mind, I sent up to the Inspector General of Police a letter suggesting my resignation. In the extraordinary circumstances that confronted me, I sent up a brief note for the General improvement of the Police along with my letter of resignation and also wrote a demi Official letter to the Inspector General of Police giving the reasons for the course of action I was prompted to take at that time (copies are enclosed for kind perusal).

While addressing these communications to the then Inspector General of Police, I had hopes that suitable enquiry would be made into my extraordinary case and an assurance of some remedial action, at least in the near future, would be vouchsafed to me. But my resignation was accepted as a matter of Course, and nothing further was done.

I have a long and distinguished record of service and, it would not have been too much for me to have expected that my genuine grievance of total stagnation would receive the kind consideration of the Government.

All the Deputy Commissioners without exception, under whom I worked in almost all the Districts of the state, from 1929 to 1946, have uniformally commended my work. In August 1939, the Deputy Commissioner of Tumkur District made a strong recommendation to the Inspector General of Police for the recognition of my work in handling the First Civil Disobedience movement of the Mysore State Congress in Tumkur and my long and devoted service by the award of the Maharaja's Police Medal.

Successive Inspectors General of Police have also placed on record from time to time, their appreciation of my work. Mr. E.G.B. Peel, Inspector General of Police, for instance, after his Inspection Tour in Tumkur District wrote as follows:-

"I HAVE FOUND THE POLICE WORK IN THE DISTRICT IN GOOD ORDER

MR. MUTHOJI RAO SCINDIA IS AN EXPERIENCED OFFICER WHO TAKES A KEEN INTEREST IN HIS WORK".

I have conducted several state processions without a single hitch during Birthday and Dasara festivities, made Police arrangements for the visits of distinguished personages to the State in a manner that has earned the approbation of my superiors and the visitors as well.

After the Dasara State Procession in October 1945, the Inspector General of Police conveyed to me a message received by him in person from the Private Secretary to H.H. the Maharaja, communicating the gracious appreciation of the Police arrangements made for the occasion when a record crowd had assembled in the City of Mysore.

After the visit of H.R.H the Duke of Gloucester in July 1942, to Mysore the Inspector General of Police wrote to me as follows:-

"I WRITE TO THANK YOU FOR THE VERY SATISFACTORY POLICE ARRANGEMENTS MADE DURING THE VISIT OF HIS ROYAL HIGHNESS THE DUKE OF GLOUCESTER".

As late as September 1945, after the termination of the visit of His Excellency the Commander-in-Chief Field Marshell, Sir. Auchenleck, his private Secretary wrote to me a personal letter as follows:-

"I AM VERY GRATEFUL TO YOU FOR THE UNOBSTRUSIVE ARRANGEMENT MADE FOR HIS EXCELLENCY THE COMMANDER-IN-CHIEF".

"THE WHOLE PARTY APPRECIATED VERY MUCH THE WAY IN WHICH THE POLICE CARRIED OUT THEIR DUTIES".

At the time of the acceptance of my resignation I had put in more than nineteen years of unblemished and approved service in the Police Service of the state.

In view of the unique circumstances leading to my resignation, and in view of the imminence of the retrocession of the C & M Station area, when there is a prospect of a new post of the Rank and status of a Deputy Inspector General of Police being created, it may not be out of place if I crave your indulgence and pray for justice at your benign hands ordering my re-instatement and promotion to the Rank of Deputy Inspector General of Police, treating the intervening period between the date of acceptance of my resignation and the date of my report to duty as such leave as I would be entitled under the Service Regulation taking into account my previous service. In the alternative, I may kindly be transferred to the General line and my place fixed with reference to the one I would have occupied if I had been taken to the Revenue Department as was originally intended when application for appointment was made.

I am now in better health and would be deeply grateful to you if you would be pleased to afford me a further oppertunity to serve the state which I will do with utmost zeal and loyalty.

I beg to remain, Respected
Sir,
Your most obedient servant,

R Muthoji Rao Scindia.

Lately Senior Superintendent of Police. 18/24

R. Muthoji Rao Sindia, B.A.,
DISTRICT SUPERINTENDENT OF POLICE.

MYSORE
Dated 13th Feb. 1946.

D.O.NO.C.C.17/45-46.

CONFIDENTIAL.

Dear Sir,

I have sent up to-day separately my official communication of resignation through you to the Government for early acceptance.

Of late, my health has not been satisfactory and I find it increasingly difficult to continue in office. Moreoever, the circumstances in which I have found myself after nineteen years of devoted service are such that do not encourage me to continue to work with the same zeal and enthusiasm.

I have been a District Superintendent of Police for 15 years, the only gazetted officer in the State service, I believe, to stagnate so long in one office. Officers who were Deputy Amildars and Amildars in the general line when I was a District Superintendent of Police have become Deputy Commissioners; others who were my colleagues have become Heads of Departments.

I may mention here that at the time of recruitment to the State service, I made no application for appointment to the Police. From among the Revenue Probationers, I was separately selected for the Police by the Government in 1926 along with Mr. U.K.Somappa. The other probationers selected along with us and continued in the general line have long since become Deputy Commissioners (Viz. Messrs. K. Mathan, K.P. Ramanathiah, A.S.Khaleel, Thipperudriah).

And subordinate officers who were my Sub Inspectors and Police Inspectors are also District Superintendents of Police, and I am still a District Superintendent of Police.

The special treatment of selecting me to the Police unasked has resulted in this strange, anamolous and intolerable situation.

(p.t.o)

In these extraordinary circumstances, it would not be correct or fair on my part to continue any longer in service discontented and demoralised.

I, therefore request you kindly to submit my resignation letter to the Government for early orders.

Yours sincerely,

His Highness the Maharaja of Mysore,

Through

S. Narayana Rao, Esq., M.A.(Hons).,
Inspector-General of Police in Mysore,
Bangalore.

Sir,

I have the honour to submit herewith my resignation and to request the Government please to permit me to relinquish my office, at an early date as it is no longer possible for me, in my present state of - health, to continue in office.

Moreover, the Police system, as obtaining at present in Mysore, is so far behind times, even as compared with the neighbouring provinces and States, in its organisation, equipment, housing, personnel, pay and prospects that, my continuance under such a system would be of very little service either to my gracious soverign or to his people.

A copy of my note embodying the minimum that is required, if the Police in Mysore has to function as an efficient unit, submitted to the Inspector-General of Police in Mysore, Bangalore, through the Assistant to the Inspector-General of Police, with my demi-official letter dated 9th April 1945, is herewith enclosed for the information of the

Government and such action as the Government may deem fit in the interest of the Police in Mysore.

Early orders are awaited.

I have the honour to be,
Sir,
Your most obedient Servant,

"Copy"

Sd/- R.M.Scindia

Dist. Supdt. of Police,
Mysore District.

N o t e.

If the Police in Mysore has to function efficiently, it has to be completely re-organised and improved.

Organisation:

The Police to be strong, independent and efficient must be constituted into a specialised Department by itself, officered and manned by a personnel specially trained for Police work. If a comparative study is made of the Police systems throughout the world, it would be seen that the Police is a specialised Department.

In Mysore, the Police has no backbone because it has been subservient to the Revenue Department for ages. Its Gazetted officers are often recruited from the general line, the places held by the Regular Police officers in other provinces in ranks superior to the District Superintendents of Police are held by the Revenue Officers in the State. The Deputy Commissioners wield powers similar to the powers of the Deputy Inspector-General in other places in the neighbouring provinces. - Revenue Officers as such have no administrative powers over the Police in any civilised State. The posting of Amildars and Junior Assistant Commissioners as District Superintendents of Police is a very queer anamoly. Any subordinate officer who is selected for the Amildar's rank becomes an Assistant Commissioner in a short while and is called a "Civilian" whereas Probationers who start as Gazetted officers in the Police are called "non-civilians". This is a very serious and invidious distinction. Even a Police Inspector and ..

Sub Inspector or a clerk in any office who is lucky to get into the Amildari list becomes an Assistant Commissioner and is straight away posted as a District Superintendent of Police whereas a Probationer selected for the Police and trained for the Police, getting a start in the Gazetted rank is posted as an Assistant Superintendent of Police and dubbed as a "Non-Civilian" on top. This inferiority stamp is being carried throughout his service.

Officers in the general line who were Deputy Amildars and Amildars become District Superintendents of Police along with him and in course of time become his superior officers as Deputy Commissioners and a Probationer started in the Police will still be a District Superintendent of Police. Either recruitment of Probationers to the Police should cease or the Police should have a lien in the general line as was done in the years gone by. But the best course ~~is~~ in the interest of the Police would be to make the Police a specialised and independent Department as in the neighbouring provinces, the State being divided into three Circles - North and South and Railways & C.I.D., S.B., P.R.P., Fire Brigade and P.T.S. with Deputy Inspectors-General and the Deputy Commissioners being divested of the administrative powers over the Police.

There is also another serious anamoly resulting in the stagnation of the probationer in the Police when he becomes a District Superintendent of Police. Sub Inspectors and Police Inspectors who were under him in course of time become District Superintendents of Police. A certain differentiation will have to be made between a District Superintendent of Police who is started as a probationer and a District Superintendent of Police who is promoted from the ranks. In Madras the different cadres and called Provincial and Imperial.

the Provincial is a promoted officer and the Imperial is a direct recruit. That is to say, a Gazetted officer rising from the ranks should have a different grade from the Gazetted officer who comes as a Probationer.

Recruitment:

The recruitment to the Gazetted ranks of the department should be by promotion and direct recruitment, the percentage being equal. Direct recruitment should be made on a combined principle of competitive examination and nomination and promotions should be made by selection on the principle of merit and seniority. The same principle should apply in the recruitment to Police Inspectors and Sub Inspectors, the Sub Inspector's direct recruitment being 75%.

Pay and Prospects:

Equality of services should be the first principle in any Government if the morale of the particular service is to be maintained. The present discrimination between the pay and prospects of the police as compared with the Revenue should be removed immediately. The pay and prospects of the rank and file should be revised having regard to the standard of pay and allowance as obtained in the neighbouring provinces of Madras and Bombay and other sister States like Hyderabad and Kashmir. To avoid stagnation, a system of time scale should be introduced.

Training:

There should be a Central Police Training College or School in Bangalore on the model of the Vellore and Nasik Training Institutions. No Police officer should be posted for duty unless he has passed out of the training school. The practice of posting recruits to Police work and posting Daffedars and clerks

to Police Offices straight away should be strictly discountenanced.

In the Police Training School there should also be a branch in which recruits to the Ministerial staff of the Police offices should be trained - Managers, clerks and Stenographers in office work. No one should be posted to a Police Office unless he has passed out of the scheme of training laid down for the officials of the Ministerial establishments.

General:

The Mysore Police Act requires to be revised in consonance with the improvements effected in the neighbouring provinces.

The City Police has to be distinguished from the District Police and accordingly the City Police Orders have to be issued as the City work differs fundamentally from the District in many respects.

Mysore State should be divided into two circles under two Deputy Inspectors-General of Police and one Deputy Inspector-General of Police for Railways & C.I.D., P.T.S., P.R.P., Special Branch.

Bangalore City should be constituted into a Commissioner's charge with three Assistant Commissioners - one to be in charge of the office and administration; another in charge of Crime and the third in charge of Traffic.

Mysore City should be constituted a District Superintendent of Police's charge and separated from the District and an Inspector be placed in charge of Traffic.

The Sub Divisions should be abolished. In the major districts of Mysore, Bangalore, Shimoga, Chitaldrug, Kolar and Tumkur, District Superintendents of Police could be given the assistance of an Assistant Superintendent of Police who will be attached to the office and will visit any place in the district under the orders of the District Superintendent of Police. This will greatly relieve the delay and duplication of work that is going on now.

The City Police Force should be placed on a footing different from the District Police and difference should be made between Traffic, Crime and Administration branches regarding pay and allowances. Officers and men in the Traffic branch should receive special allowance, minimum basic pay being Rs.25/-.

When officers and men are sent for work, for example, Silk, Food Control, etc., they should not be posted unless quarters and rations are given by the Departments concerned.

All officers and men should be properly housed and equipped. Quarters and equipment charges should be given if not provided at Government cost.

A District Office Manual should be compiled forthwith for standardising the work of the District Police Office.

Officers and men should be allowed accoutrement and kit cleaning charges to keep their uniform and equipment in good condition.

Standardisation of the Traffic system should be made in all the Cities of the State. As the point duty Constable has no protection from Sun and Rain he

should be eliminated by a system of round-abouts and sign-boards. For this, a committee having the Government Architect, the District Superintendent of the place, the Municipal Engineer and the President of the Municipality may be asked to report and put into execution their suggestions within three months at the cost of the Municipalities concerned. All foot-paths must be paved so that pedestrains may take to them willingly.

Punitive powers of the Superintendents should be increased so that a Daffedar or a Police Constable may be punished by the District Superintendent of Police with imprisonment up to one month for grave direlection of duty or insubordination or other serious delinquency.

The Cities of Mysore, Bangalore and K.G.F. should be provided with Gymnasiums, Swimming pools and Recreation grounds for the Police officers and men.

In the Cities, Police Courts should be established to deal with petty offences and offences under Police Act and Local and Special Laws.

Police hospitals and surgeons may also be established in Cities.

Conclusion:

These suggestions are in a general form each point requiring careful study and amplification if proposals have to be formulated. It would therefore be expedient that a Committee of Senior Police officers with the Deputy Inspector-General of Police as Chairman examine these points and send up a proposals having regard to the system of Police administration in the neighbouring provinces and other sister States. They may be directed to submit their recommendations

within three months. After this report is examined, the Inspector-General of Police can formulate his own proposals and send up to Government for acceptance.

dated, Bangalore, 28th July 1947.

Government are pleased to direct that Mr. R. Muthoji Rao Scindia be re-instated in service in the Police Department, the period intervening between the date of his resignation and his re-instatement being treated as on such leave as he may be entitled to under the Mysore Service Regulations. The Inspector General of Police is requested to send up proposals in consultation with the Comptroller to Government regarding the amount and the kind of leave that may be granted to Mr. Muthoji Rao Scindia in respect of the intervening period referred to above.

Sanction is also accorded to the creation of an additional temporary post of Deputy Inspector-General of Police on a pay of Rs.600-50/2-800 and the appointment of Mr. Muthoji Rao Scindia as Deputy Inspector-General of Police against this post, to assist the Inspector General of Police.

Mr. Muthoji Rao Scindia will take his rank below Mr. U. K. Somappa.
